

Staff Scientist – Dynamic Earth: Home of the Big Nickel

Thinking of moving to a new bedrock? Drift on over to Dynamic Earth: Home of the Big Nickel and cement your future as a Staff Scientist. Science is at the epicenter of all we do...Staff Scientists are leaders with an innovative spirit, who at their core have a passion for science and for communicating science to visitors of all ages. They develop exhibits, programs and experiences that WOW, deliver science education programs and workshops...they make an impact through active involvement with community groups and scientific committees...they lead teams, special projects and events, some of seismic proportions.

If you have a degree in science, a passion for earth sciences, can write and speak fluently in English and French and aren't opposed to occasional fragmented schedules including some evenings and weekends, stake your claim to this job before November 13th, 2017 at <http://sciencenorth.ca/employment> quoting Job Number 1-007.
