INVITATION TO The Annual Bursary Fundraiser and Cocktail Party

Dear Members and Friends,

It is with great pleasure that the Women's Association of the CIM Montréal Branch invites you to their Annual Bursary Fundraiser and Cocktail Party. As in other years, friends are always welcome. If you are aware of other mining friends who may not receive this invitation, please forward it to them.

When: **THURSDAY, NOVEMBER 14, 2019** (6:00 p.m. & on)
Where: Mac & Rena Watson
410 Metcalfe Avenue (Just north of Sherbrooke St.)
Westmount
Tel.: 514 931-6869

This bursary auction started forty years ago when Cécile and René Dufour invited the CIM Montréal Branch members to a cocktail party in their home. This party continued each fall in different homes and later took on the form of a Bursary Auction to benefit students at École Polytechnique and McGill University. We realize from this event over \$3,500 and recently have been able to donate scholarships to each University in the amount of \$2,000 to \$3,000. Some of the members who shared their homes for this worthy cause have been The Dufours, The Hewitts, The Turners, The Watsons, etc. **We are once again asking for your support and seeking interesting and/or collectible fun items; for example concert tickets, hockey shirts, fruit cakes, etc., to be auctioned at the party.**

With the wonderful help last year of so many, Rena is looking forward to hosting this evening again this year. This is going to be a great fun get-together and look forward once again to seeing everyone on November 14.

President - Women's Association of the CIM Montréal Branch
